OK, SO PERCY MAY BE MORE USED TO RIDING HORSES WITH WINGS BUT HE IS A DEMI-GOD AFTER ALL!

- Why do you always approach a horse from where it can see you?
- Ask your leader to give you details about a local sub-aqua club.
- Show your Patrol the knot you would use to tie a horse to a fence.

IT'S NOT EVERYDAY YOU FIND YOU CAN BREATHE UNDERWATER. WARNING! ONLY DEMI-GODS CAN DO THIS.

- Ask your instructor what the bends are and how they can be avoided.
- Ask your leader to give you details about a local sub-aqua club.

THE GREEK GODS ARE ALIVE AND KICKING ON MOUNT OLYMPUS. CAN YOU GET THERE?

- Tell your Patrol why you should stick to the countryside code when hill walking.
- What number should you ring if you need to get hold of the Mountain Rescue Service in an emergency?

PERCY LOVES TO SURF. WOULD YOU WEL, WOULDNT YOU IF YOUR DAD WAS POSEIDON?

- Give all your friends a surf lesson in the Scout hall.
- Find out the colours of the flags you might see on a beach where you go surfing.

IT CAN BE HELL UNDERGROUND WHEN YOUVE GOT HADES BREATHING DOWN YOUR NECK.

- Why do you have to wear a hard hat and light when caving?
- Look out for rock formations while caving. Describe how rock formations are formed.
